

Cyber security awareness

Cyber security awareness programme in “Global Institution (Organized by JCI on 11.09.2017) by Mr.Ragavendran (Cyber security consultant)

Mr.Ragavendran gave an awareness about cyber crimes in social media ,cyber bullying, SMS lottery, cyber stalking, Identity theft, software piracy, hacking, etc.. and how to be cautious about it. He also shared how to use the cyber security settings effectively. As per statistics, 78% cyber crime is happening because of over sharing in Social medias. There are 10,00,000 job vacancies in Cyber Security field. But there are only 100 employees at present in India.
