

## CARRIER OPPORTUNITIES AND PLACEMENT CAMP FOR DIFFERENTLY ABLED

Global Institutions students were a part of “Carrier opportunities and Placement camp for Differently abled person” Organized by Olirum Erode Foundation.

It was a new experience for our students to show their concern and care towards Differently abled people. Our students were taking part in eye checkup, Job fair and helped them to move around the venue.

More than 500 Differently abled people who attended the camp were very well educated and talented. Most of them got job in good companies. We were so happy to get an opportunity to place a Differently abled person in our Institutions.
