

# Motivational training

Speaker :Mr.Jaishekar, NLP trainer

Paramedical students in Global Institution had a great opportunity to attend a session with Mr.Jaishekar one of the eminent NLP trainer. It was a great session for self realization. He raised the confidence level of the entire global team and made them come out with their own ideas. He made everybody think differently through an activity. The students also learned how to handle adolescence and how to over come fear.

In the end of the session the entire team found a great amount of energy&transformation within themselves. We are looking forward for the next session with you sir.
