

“The importance of value added services”

by Dr Shanthi selvanMS.,FRCS.,

World Optometry Day Celebration at Global Institutions Erode. Dr.Shanthiselvan (LOTUS HOSPITAL) an Enterprising and Energetic Ophthalmologist gave a marvelous and vibrant speech for the paramedical students. She stated the importance of value added services of the Optometrists along with good quality service. She also added the importance of safeguarding our cultural values.Thank you so much for your most wanted and valuable speech mam!!!
