

Motivational speech to be a successful person

Speaker: Dr Sasi Kumar the Director of Global Institution

Dr Sasi Kumar, the Director of Global Institutions, gave a splendid and a motivational speech for all, especially for the graduating students. These are some of his valuable advices which everyone should follow to be a successful person,

- Always have a positive mindset
- Be kind to people & never show your dislike in your body language
- Be honest
- Company name is more important than the money
- Never let out your secret of success to anyone
- Don't be with negative minded people
- Learn to handle different types of people
- Never feel shy to seek knowledge
- Share your learnings with others

Thank you for your wonderful speech sir.
